

TE WIKI O TE REO MĀORI

AT ASHBURTON ART
GALLERY AND MUSEUM

KIA ORA, KAI AKO AND TEACHERS

To celebrate Māori Language Week 2022 (Monday 12th – Sunday 18th September 2022), Ashburton Art Gallery and Museum are making packs of Te Reo Māori flashcards to encourage the community to learn Mahika Kai; the range of natural resources throughout Te Wai Pounamu (The South Island). The kaupapa of this project is to empower and support the cultural revival of the Ngāi Tahu (Kāi Tahu) use of Te Reo Māori. Each flashcard will have a Māori and English word on one side, and an illustration on the other side. Throughout Māori Language Week, packs will be free and available from AAGM for everyone in the local community.

ART COMPETITION FOR LOCAL SCHOOLS

We would like each flashcard to be diverse and representative of the amazing young talent in Hakatere Ashburton. So, we are inviting school pupils to design illustrations for the flashcards. Tamariki and rangatahi in years 1-13 can enter, and we would be delighted to receive entries in a range of medias and styles. Taking part in this art competition will enrich Māori culture; develop an awareness of the Ngāi Tahu dialect; and inspire creativity in the classroom.

HOW TO ENTER

Each pupil may complete the attached activity sheet which outlines the 10 different flashcards. Entries can be sent via post or dropped off at Ashburton Art Gallery and Museum, 327 West Street, Ashburton 7700. Alternatively, you can request compiled entries to be collected by our Art Educator by emailing hoper@adc.govt.nz, or calling 308 1133. Please ensure all entries include at least one form of contact, so we can notify winners. All winners will be announced shortly before Māori Language Week begins.

PRIZES

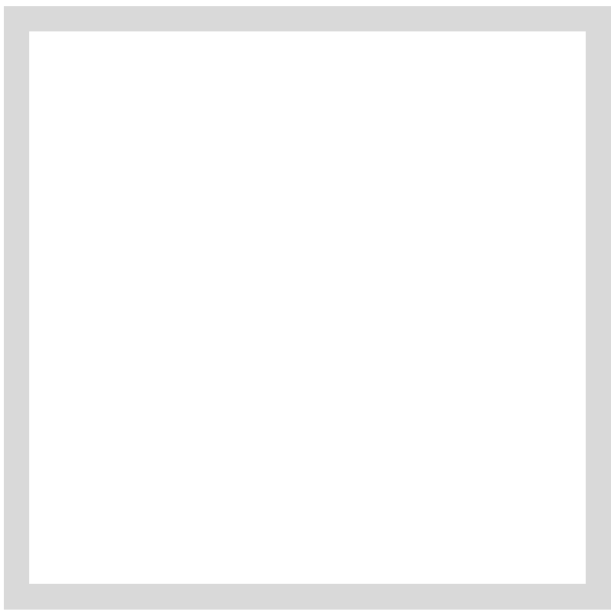

In addition to the winners having their artwork printed and distributed around Hakatere Ashburton, there are also 10 mystery prizes to be won!
